Application Fees

For students at subscribing institutions, there is an application fee of £60 for each weekend visit applied for and £30 + VAT for each day visit applied for. Your university may choose to pay all or part of this fee for you. To find out how much you will need to pay for a HOST visit, please see the table below.

If you wish to visit with a partner, there is an additional fee of £24, although this may be partially covered by your institution.

If your university is not on the below list, it does not subscribe to HOST and so your application fee will be £96 for a weekend visit, £57.60 for a day visit, and £38.40 for an accompanying partner.
