

Dear Hosts

As another busy year comes to an end we wish to send our thanks to all those of you who have hosted throughout 2019 and those of you yet to host over Christmas and New Year.

Feedback from your student guests makes clear how greatly appreciated your hospitality is and we hope that you too continue to find the experience fulfilling. We hope you will happily continue to host throughout the new year and encourage others to consider doing the same - you are our best ambassadors. Thankyou.

May we take this opportunity to ask that you send in your photos and stories and urge your guests to do likewise. Such stories exemplify the pleasures of hosting and are crucial to explaining our worth to potential funders, whilst also being heart-warming stories to share in HOST's Newsletters.

We also have a remarkably brave fundraiser, final year student Beza from University of Nottingham, who will be sky-diving for HOST in the New Year and whose funding page is still open if you wish to support her.

<https://www.justgiving.com/Beza-Taye>

Thank you again for all you do, it is hugely appreciated.

Warmest Good Wishes for a Very Merry Christmas and Good Health and Happiness for the New Year.

From the HOST Trustees and Staff
