

# Application Fees

**HOST UK will be accepting applications for festive visits from: Friday (noon) 4<sup>th</sup> October 19 to Tuesday (5pm) 26th November 19.**

There is an administration fee for every application made to HOST.  
Some universities subscribe to HOST and some do not.  
Some subscribing universities pay ALL or PART of the application fee for their students.  
Please check here whether you will need to pay, and how much.

## How do I know if my university subscribes to HOST?

If your university\* is listed in the table below, it is a subscriber.

\*Please check the list carefully – many university names begin University of... so remember to check under the letter U as well as under the name of the university town.

## How do I know if I will have to pay anything?

Some subscribing universities pay ALL of the HOST application for their students; some universities pay only PART. You can see how much YOU will have to pay in the table below.

If it says FREE – you will have nothing to pay.

If it says you have to pay £x to HOST, you will be asked to pay this amount by PayPal when you complete your application.

If it says you have to pay £x to the ISA, this means you need to pay this amount to your International Student Adviser or Officer after you have submitted your application.

## I want to include my husband/wife/partner in my application - do I pay more?

There will be an additional charge of **£24 (£36 for festive visits)**, but your university may pay all or part of this. You will be told the exact total sum you have to pay before you submit your application. [There is no charge for children.]

## My university is not in the list below

You will have to pay the full unsubsidised fee to HOST.

This is: **£114** for a weekend visit; **£66** for a day visit; and **£36** for an accompanying partner.

If you wish to apply for a festive visit, there will be an additional fee of **£12**.
