Student Application Fees 2022-23

There is a fee for every application made to undertake a HOST visit. This fee covers the administration costs of running the programme – it is not a payment for hosts, who are all volunteers.

First you might be wondering - *How much will this cost?*

This will depend on a few things -

1. If your University is registered with HOST UK
2. If your University will contribute ALL or PART of the application fee for their students.
3. The length of your stay
4. The time of year you wish to visit

Look for your university on the table below. Please check the list carefully, as many university names begin University of.... So remember to check under the letter U as well as under the name of the university town.

When you have found your university, you will want to know - *How do I pay?*

FREE	you will have nothing to pay
pay £x to HOST	you will be asked to pay this amount by PayPal when you complete your application
pay £x to the ISA	this means you need to pay this amount to your International Student Adviser or Officer after you have submitted your application

There is an additional charge of **£24 (£36 for festive visits)**, but your university may pay all or part of this. You will be told the exact total sum you have to pay before you submit your application. There is no charge for children.

If your university is not on the list, you can still take part in a HOST visit – How?

Day Visit	£114 (£36 for an accompanying partner)
Weekend Visit	£66 (£36 for an accompanying partner)

Festive Visit	this means you need to pay this amount to your International Student Adviser or Officer after you have submitted your application

All fees are applicable to visits undertaken during the period 1st October 2020 and 30th September 2021
